To My Patients at Nasson Health Care,

I would like to express my gratitude to have played a part in your health care for the last five years. It has been a rich experience for me, and I have learned a lot from each of you. Working at Nasson has given me the opportunity to be a part of the community here, and to grow as a provider. I will dearly miss my patients and colleagues, and being part of an organization that brings critical resources to the community at large. Please know that my decision to resign was a very difficult one, and my experience here at Nasson Health Care is something that I will take with me to the next phase of my career.

My official resignation date is November 1, 2019. Please do not hesitate to contact our office if you have any questions or concerns regarding your care. Every patient will be paired up with one of the following primary care providers: Laura Hill, NP, Marcie Butkovic, NP, Jennifer Burgess, NP, or Anne Garnsey, NP.

Wishing you all the best,

Hannah Whipple, NP
